
Launch of Renewed Asahi Net Corporate Website

We (Asahi Net, Inc.; CEO: Jiro Hijikata; Head office: Chuo-ku, Tokyo, Japan; TSE-1:3834) are pleased to announce the launch of our renewed corporate website.

We have applied overall revisions to the structure and the design of our previous corporate webpage and added more informational resources available for users and investors. The page view is designed to be compatible with multiple devices including smartphones and tablets.

With our new mobile-friendly webpage, we aim to provide better usability with accurate information in a more timely manner.

We look forward to your page visit soon.
